* “Howlin’” concert attendees need to register with NAMI in advance of the event. We can then better plan for those needing transportation, and in order to have the correct amount of cash to cover admission fees.

Please register with us in advance in order to attend any of the above events. Reach NAMI Schenectady at namischenectady@gmail.com and at 518-986-9114. This lets us know the number of people to plan for.
