By the end of 2025 the NAMI affiliate in Schenectady will become a Model B type affiliate under the auspices of NAMI New York State. Our members will not notice any difference other than in making donations and payments of annual membership dues.

With your membership you will still receive notice of events, news, special programs, support, advocacy and legislative updates from the three distinct levels of NAMI.

HOWEVER, WHAT DOES CHANGE: Checks or money orders (for dues and/or donations) intended for NAMI Schenectady will need to be made out to NAMI New York State, with 'NAMI Schenectady' written on the memo line of your payment.

To renew or activate a membership, check one of the following and complete this form. Include this completed form with your payment.

☐ I wish to join as a Regular member and enclose annual dues of \$40
☐ I wish to make this a Family membership for \$60
☐ I choose an Open Door membership for \$5. (NOTE: This type of membership is intended for those with financial hardships. SAME BENEFITS as regular/family membership!)
